Introduction

LARISSA

Start inspired with thousands of templates, collaborate with ease, and engage your audience with a memorable Canva Presentation.

Apply page animations and transitions to your Canva Presentation to emphasize ideas and make them even more memorable.

Objectives

The First Objective

Pre-record your Canva presentation to present anytime, anywhere.

The Second Objective

Add audio or record yourself talking over a presentation, then share your video with everyone.

The Third Objective

It's excellent for capturing audiences beyond a one-time event.

Summary of Methods

Qualitative Methodology

Present like a pro with Canva
Presentations using presenter view.

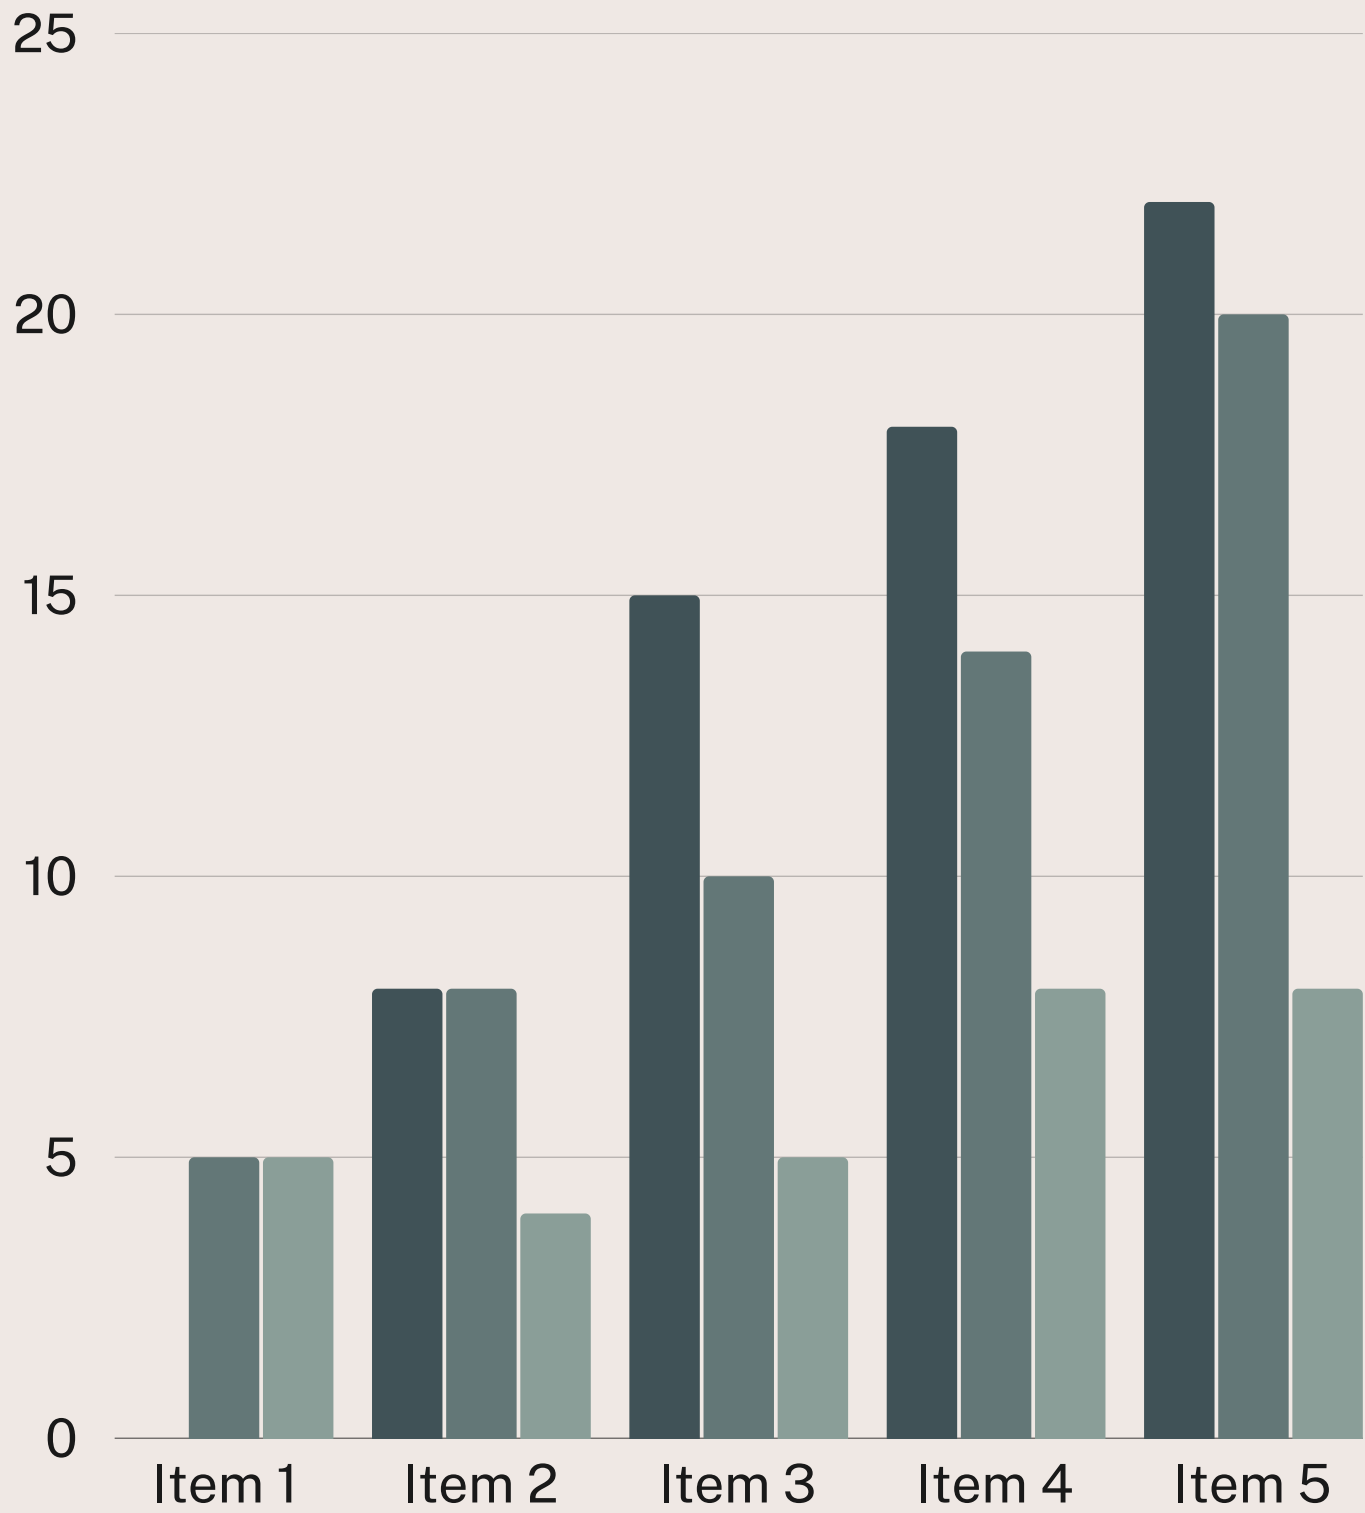

Quantitative Methodology

Feel confident with a private screen to
read your notes, view a timer, and
know your upcoming slides.
